

The purpose of this Security Policy is to ensure the safety and security of our members, staff, visitors, and contractors, as well as the protection of Enso Martial Arts property and assets. This policy outlines the measures we take to maintain a secure environment at all Enso Martial Arts venues.

Scope

This policy applies to all staff, members, visitors, and contractors who enter Enso Martial Arts premises or participate in club activities.

Venue Security

- **Access Control:** The premises are secured and access is controlled at all times. Entry is restricted to staff, registered members, authorised visitors and approved contractors.
- **Premises Inspection:** The venue is inspected daily by staff to ensure that all doors, windows and emergency exits are secure and functioning properly.
- **Emergency Procedures:** Clear emergency evacuation procedures are in place and communicated to staff and members. Fire safety equipment is regularly maintained and tested.

Visitors Policy

- **Authorised Visitors:** All visitors must be authorised by management or relevant staff. Visitors must report to a staff member upon arrival and sign in where required.
- **Supervision:** Visitors are to be accompanied by a staff member at all times while on the premises, unless otherwise authorised.
- **Safeguarding:** No visitor may enter training or changing areas without permission and supervision. Visitors must comply with the club's safeguarding and child protection policies at all times.

Monitoring and Enforcement

Failure to comply with this Security Policy may result in the removal of access rights, termination of agreements, or further disciplinary action as appropriate.

Contact Details
